OH THE PLACES YOU'LL GO KEEPSAKE

Instructions: Cut out along the solid line. Place this on the inside pages of Oh the Places You'll Go by Dr. Seuss using a glue stick or other adhesive. Every year have your child's teacher, or significant role models write a little description about your child so that when they grow up they can reflect on how amazing they have always been!

To those who've helped me grow...

I'd be so grateful, if help me you would
I have a great plan that I think is quite good.

If teachers and coaches, from now to forever
Could share thoughts about me, or memories to treasure.

So please be so kind as to flip through this book
Choose a page, write a note, and back on this I'll look.

One day much later, I'll look back here and see
How important you were to the child in me.

Thank you,
